Research Fellowship

Call for Research Fellowship

Continuing and Professional Education Centre (CPEC), under Kathmandu University School of Education (KUSOED), invites applications for the Research Fellowship Program for the maximum of five scholars. Interested students pursuing their master's degree in Training and Development (MTD), 2024 Batch, can apply. The research fellowship will be used to conduct authentic research and generate meaningful data on CPEC.

Fellowship amount: Rs. 1,00,000

Themes for research proposal

Research proposals can be submitted in any of the following themes:

1. Innovative Pedagogies in Training Development
2. Training and Grants Writing
3. Holistic Child Development
4. Customer-Centric Service Excellence
5. 21st Century Skills

Application

Interested students from the MTD-2024 batch should submit their applications by email to cpec@kusoed.edu.np.

Applications should include the following:

1. A one-page personal statement (stating why the applicant should be funded);
2. A complete proposal/concept note (not exceeding 3 pages)
3. An updated CV

Application deadline:

The interested applicants should apply with all the other required documents within one week of the fellowship call.

Note:

Late and incomplete submissions will not be entertained.

Shortlisted candidates will be notified through email or phone calls.
